

# COMPANY --- **PROFILE**

Proud Level 1 BBBEE

## INTRODCUTION

---

Mthoms Trading is a 100% black owned company that offers construction skills training. The company was formed by a group of historically disadvantaged individuals who recognized a need for multi-disciplinary professional services to a multi-cultural environment with emphasis on skills development.

“

We strive to be the number one construction skills training centre in the country and be recognized as a centre of excellence by 2030

#### MISSION

---

- Consistent achievement of technical excellence by maintaining high levels of competence in all facets of its service.

---

- Client satisfaction in the provision of innovative, cost effective and environmentally sensitive trading services.

---

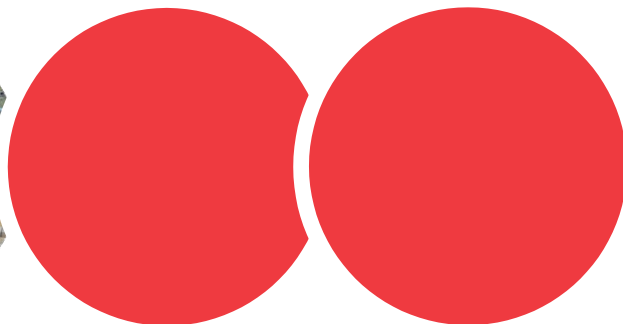

- Development of loyal relationships and a spirit of partnership with its clients and business associates.

---

- The practice of high standards of professional integrity.

---

- Maintaining a sound public image by contributing responsibly to the development of the country and the wellbeing of its citizens.

# COMPANY OBJECTIVES

---

To provide skills training and promote the creation of jobs for South African youth and woman.

To commit ourselves to quality services and results-oriented solution within the constraints of financial, social, and environmental factors.

To strive towards the profitable execution of all projects to benefit our clients and employees as well as enhancing the quality of life for all.

## OUR VISION, MISSION & VALUES

To strive towards satisfactory conclusion of any project that is cost effective, timeous, and responsible to the client's objectives and provides environmentally sustainable solutions.

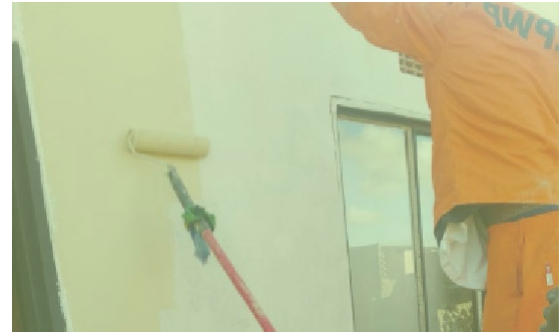

To work together with CETA to create a better South Africa.

To ensure full and meaningful participation of previously disadvantaged group in the mainstream of the economy.

To enhance the active participation of youth and woman in the economy

# AREA OF SPECIALISATION AND CETA ACCREDITED QUALIFICATIONS & VALUES
